

# HW1: AI101 Reflection

## Assignment Goals:

- Familiarize yourself with the Big Picture in the Artificial Intelligence world
- Reflect on AI and your own life

## Your Task:

This assignment must be completed individually and must be your original work.

Read the [report Links to an external site.](#) *in its entirety*. Make sure you are reading the 2021 version, not the 2016 version. It's 82 pages long, so plan accordingly.

Then **write** a short essay (around 500 words, in English) to ***challenge one or more points in the report***, and **cite at least 3 references**. Be aware of the rubric below as you write! Note that references will **not** be counted in your final word count.
